Dear Lynn,

On behalf of Wisconsin Emergency Management, I want to thank you and the members of the Wisconsin Interstate Network (WIN) for your ongoing commitment to providing communications assistance during times of emergency in our state. I know that you were contacted by the State Emergency Operations Center on Saturday, February 9, 2008, who coordinated with for the use of the WIN, but did not need at activate. As the Officer in Charge of the State Emergency Operations Center that day, I truly appreciated your willingness to support our efforts to gain an accurate statewide picture of the impact from the storm.

Again, thank you for your willingness to serve.

Sincerely,

Patrick J. O'Connor
